JOINT OSO/OPC TRAINING COMMITTEE
MINUTES #24

26 July 1949

25X1A9A

Present: Mr.
Mr.

Recording Secretary

1. OPC Emergency Training.

25X1A9A

a. -Mr. stated that it would be impossible for his Operations instructors to give their services to both groups of the stop-gap Operations/OPC course in September, which follows the stop-gap IOC Course.

b. The Training Request forms for the second (more covert) group of stop-gap trainees reveal several inconsistencies in security. Of the ten students in this category, one is disqualified for group training because of his status as a contract agent; two students have already been working in CIA buildings; two others have in the past been identified as U.S. intelligence officers; and none of the other five has received his security clearance as yet. A memorandum covering these facts will be addressed to COS/OPC by TRS/OSO.
